Welcome (Back) to the Gallery! ✂

Paid members are welcome to mingle in the Gallery on Sundays like we did prior to the pandemic. We're calling it **"Artist Mingle"**! Bring your paints, art projects, or other leisure activities and enjoy some quality social time while you create and relax with other CAA members. **Artist Mingle will NOT occur on Take-In weekends or if a workshop or class is scheduled.**

Open Studio Mixers are scheduled for Thursdays, July 8, August 5 and August 26 from 3:30-5:30pm. A nominal donation of \$3 is requested, which includes a soft drink and a snack, as well as access to some of our art supplies if needed. All community artists and patrons are welcome to visit, talk shop, share ideas, give tips, demonstrate techniques, create, or just socialize!

Please give a warm welcome to our **new members** who joined in May and June: Sylvia Barnett, Susan Ortego, Durre Waseem, Carrie Campbell, and Atlas Garcia.

CAA in the Community ✨

CAA participated in Corona's inaugural **Night Market** on June 14. Thanks to Becky, Laureen, Lani, Alex, and Kumari for helping out. If you missed it, don't worry, additional dates include **June 28, July 12, July 26 and August 9!**

On May 2, CAA members Lori, Alex, Laureen, Becky and Carol Crosby completed a **citrus themed mural** on the alleyway fence at **1156 E. Grand** in Corona. The residents, Karen and Eric Maldonado, made a donation to CAA in exchange. Please visit the mural and take your picture with it, then **tag us @coronaartassociation** on social media!

CAA participated in **Valencia Terrace's Sip and Shop** event on May 1. Thanks to Mary Lou, Koki, Janet, and Pat for staffing our booth and Alex, Laureen, and Becky for setting up.

Gallery Gift Shop ✨ Now on Facebook and Instagram @CAAGalleryShop

It's now time to **bring in your Summer themed and general-occasion items!** If you want your hand-crafted items to be sold in the Gallery Shop, please stop by the gallery for a handout of guidelines. Only CAA members can participate, and the minimum donation back to CAA of sales is 25%, though you can choose to donate more. **Lani Britain** heads the Gallery Shop committee and is doing an amazing job! Leave her a message at 951-318-8933.

Activites ✨

On May 1, an altered books workshop was taught by CAA member **Chris Frausto**. We turned our memorabilia into works of art!

Artist Spotlight ✂

Corona Art Association's Gallery Gift Shop Coordinator, Lani Britain, comes from a strong family background of talented artists, including her mother and grandmother. So, it's no wonder that her elementary school teachers noticed her own artistic talent. Although being recognized in class made her feel self-conscious, it also fueled her interest in art.

Lani's mediums of choice include a variety of 2-D applications, including oils, watercolors, acrylics, pastels, pencil, and charcoal. She finds the most satisfaction working with acrylics, however, she does love the challenge of watercolors! She credits CAA's own Mary Lou Wallace, for giving her the encouragement to experiment with watercolors and to always "practice, practice, practice!" Additionally, Lani is an avid photographer and gardener. When given a theme or creative assignment, she draws inspiration from her family and nature photography, as well as the flowers and plants that surround her. Lani's creative talents seem to know no limits, as she is also an accomplished seamstress, having owned and operated a costume rental business for 13 years. Lani has taught sewing and planting for CAA, as well as opened her fantastical garden to our members for plein air painting.

Lani's favorite artists are Maxfield Parrish, Norman Rockwell, and Erte. Parrish for his mythical, magical lands and characters and beautiful skies and clouds. Rockwell for his way of portraying the everyday life of everyday people in his time, often with humor. And she loves Erte for his glamorous and dramatic designs and referred to his work often when she was making costumes.

When reflecting on what she hopes her art brings to the world, she says, "happiness, joy, and an appreciation for all of the wonders of nature and the natural world".
